

# D/NFT

**We bring the world biggest market to DeFi**

# 1. WHAT IS D/BOND.

**ERC-3475.**

**The first bond standard recognised by the ETH community**

## 2. New Chapter.

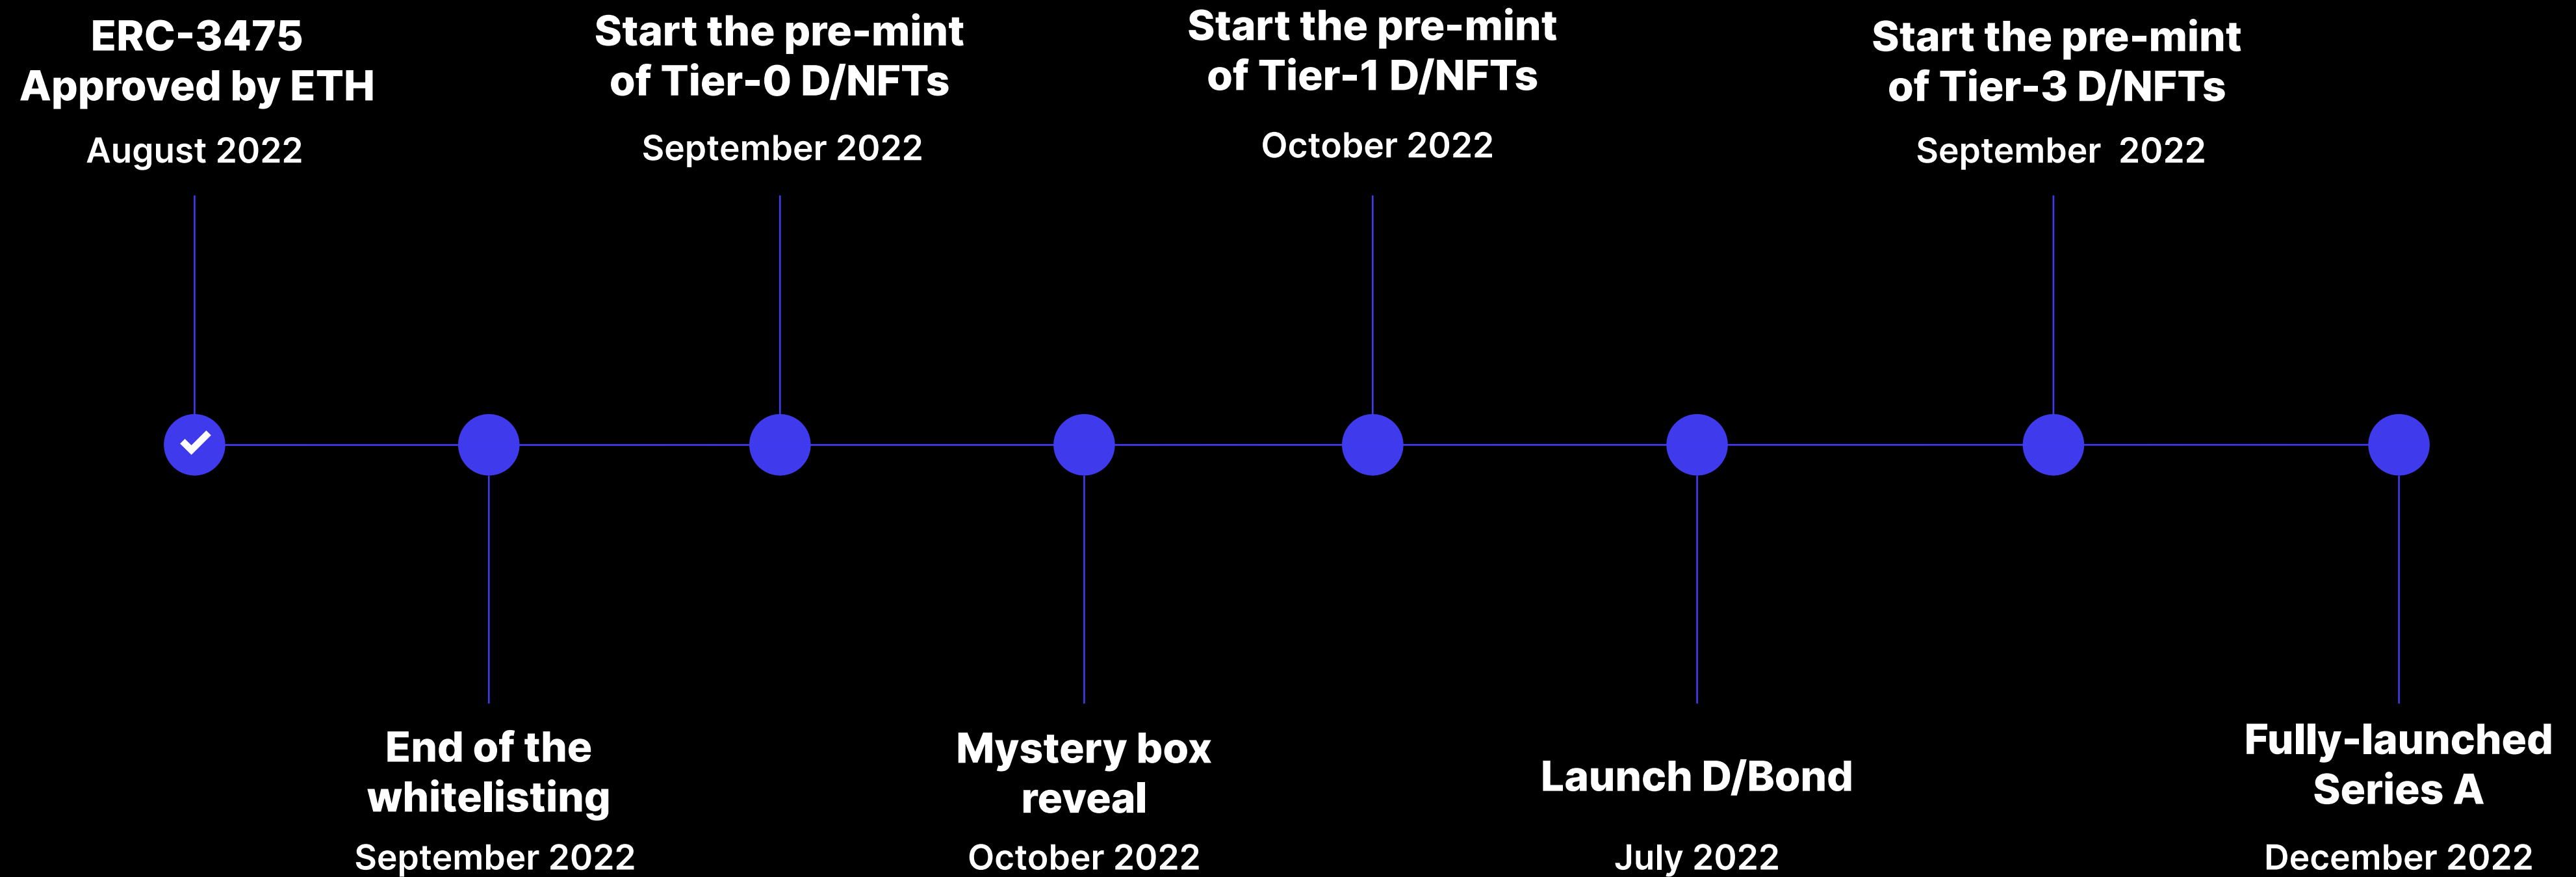

- Before D/Bond DeFi is a desert planet, uncharted territory.
- D/Bond brings the bond market to DeFi, brings with him, opportunities and hope.
- A mysterious, ethereal monolith standing in front of a new world – full of possibilities
- D/NFT holders are the pioneers of our D/Bond space odyssey.
